

Stellar Undelete Email for Outlook 8.0.0.1

User Guide

Overview

Stellar Undelete Email for Outlook successfully recovers accidentally deleted and lost emails, folders, calendars, appointments, meeting requests, contacts, tasks, task requests, journals, notes as much as possible which minimize the loss of corruption.

It is a powerful software to recover deleted mails either from PST and OST files, created by MS outlook. All the message, calender events, notes, etc. are discovered. You can also save emails in any one of the five following formats:

- MSG
- EML
- PDF
- HTML
- RTF

To view data from a newly recover file, you need to import the new PST file into MS Outlook.

What's New in this Version?

- Support for MS Office 2016.
- New and enhanced GUI.
- Option to save and load scan information.
- Option to recover Mailbox from OST files.

Key features:

- Recover all your accidentally/intentionally deleted mails, even after emptying the 'Deleted Items' folder.
- Recover deleted mails and all other objects even from password protected files
- Recovers all types of deleted attachments such as Excel Worksheets, Word documents, images and so on.
- Enables you to view messages in a 3-view format.
- Find option to search emails faster.
- Recovers e-mails, calendar entries, contacts, notes, tasks and journals from outlook mailbox files.

- The recovered mailbox will get saved as a new PST file on any drive (including network drives) visible to host computer
- Can save single mail messages in MSG, EML, RTF, HTML and PDF format.
- Enhanced preview feature for calendars, tasks, journals, and contacts.
- Support to transfer the license of the registered software to another computer.
- Support for MS Office 2016, 2013, 2010, 2007.
- New GUI - look and feel matches MS Office 2016 GUI.
- Right-click option to save emails in any one of the following formats from preview section itself - MSG, EML, RTF, HTML, and PDF.
- Option to arrange scanned emails and messages as per Date, From, To, Subject, Type, Attachment, and Importance. You can also arrange scanned emails in the form of groups.

Getting Started

Stellar Undelete Email for Outlook is a powerful software that ensures recovery of accidentally lost and deleted e-mails. After recovering outlook mailbox the software shows its original content. All folders from the original outlook mailbox file gets displayed along with their content in a three-pane structure.

Ordering the Software

To know more about **Stellar Undelete Email for Outlook**, click [here](#).

To purchase the software online, please visit <https://www.stellarinfo.com/email-repair/deleted-email/buy-now.php>

Alternatively, click on **Buy Online** icon in **Buy Now** Menu on the **Menu Bar** to purchase the software online.

Select either of the methods given above to purchase the software.

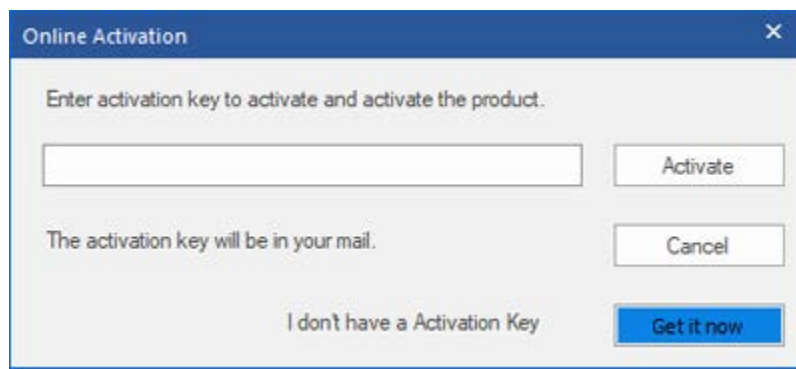

Once the order is confirmed, you receive a registration key through e-mail. You require this key to activate the software.

Activating the Software

The demo version is just for evaluation purpose and must be eventually activated to use the full functionality of the software. The software can be activated using the Activation Key which you will receive via email after purchasing the software.

To activate the software:

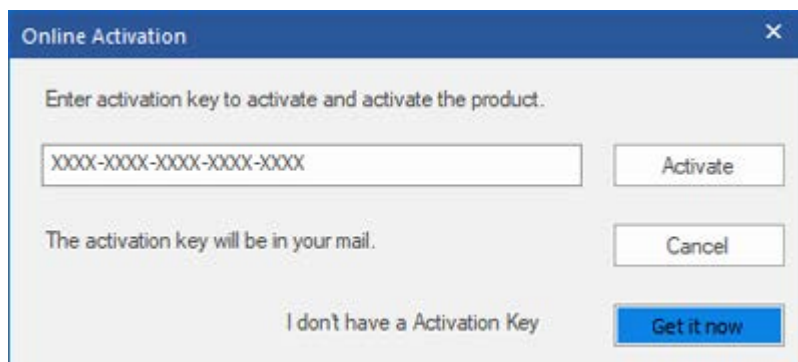

1. Run demo version of **Stellar Undelete Email for Outlook** software.
2. On **Activation** menu, click **Activate** option. *Online Activation window is displayed as shown below:*

The screenshot shows a window titled "Online Activation" with a close button (X) in the top right corner. The window contains the following elements:

- Text: "Enter activation key to activate and activate the product."
- Text input field: An empty rectangular box for entering the activation key.
- Button: "Activate" (white with a grey border).
- Text: "The activation key will be in your mail."
- Button: "Cancel" (white with a grey border).
- Text: "I don't have a Activation Key" (with a typo in the original image).
- Button: "Get it now" (blue with white text).

3. If you don't have the activation key, click **Get it now** button in the window to go online and purchase the product.
4. Once the order is confirmed, a Activation Key gets sent to the email provided.
5. Type the **Activation Key** (received through email after purchasing the product) and click **Activate** button (**Please ensure that you have an active Internet connection**).

The screenshot shows the same "Online Activation" window as above, but with the activation key entered into the text field. The key is displayed as "XXXX-XXXX-XXXX-XXXX-XXXX".

- Text: "Enter activation key to activate and activate the product."
- Text input field: Contains "XXXX-XXXX-XXXX-XXXX-XXXX".
- Button: "Activate" (white with a grey border).
- Text: "The activation key will be in your mail."
- Button: "Cancel" (white with a grey border).
- Text: "I don't have a Activation Key" (with a typo in the original image).
- Button: "Get it now" (blue with white text).

6. The software would automatically communicate with the license server to verify the entered key. If the key you entered is valid, the software will be activated successfully.

7. *'Activation Completed Successfully'* message is displayed after the process gets completed successfully. Click **OK**.

Updating the Software

Stellar releases periodical software updates for **Stellar Undelete Email for Outlook** software. You can update the software to keep it up-to-date. These updates can add new functionality, feature, service, or any other information that can improve the software. Update option of the application is capable of checking for latest updates. It check for both latest minor and major versions available online. You can easily download minor version through the update wizard. However, the major version, if available, has to be purchased. While updating the software, it's recommended to close all the running programs. Note that demo version of the software cannot be updated.

To update Stellar Undelete Email for Outlook:

1. Go to **Tools** option in **Menu Bar**. Click **Update Wizard**.
2. **Stellar Phoenix Update Wizard** window will open. Click **Next**. The wizard will search for latest updates, and if it finds any new updates, a window will pop up indicating its availability.
3. Click **Next** and the software will download the files from the update server. When the process is complete, the software will upgrade to the latest version.

Live Update may not happen due to following reasons:

- Internet connection failure.
- Updates are not available.
- Unable to download configuration files
- Unable to locate updated files or version
- Unable to locate executable file

Note: *If a major version is available, you need to purchase the software to upgrade it.*

Find Outlook Mailbox Files

Stellar Undelete Email for Outlook allows you to recover your lost or deleted data from your Outlook Mailbox File. Using the Find option, you can search for Outlook mailbox files in your computer's drives, folders, and subfolders. However, you can only select one drive at a time to search for Outlook Mailbox files.

To Find Outlook Mailbox Files in drives:

1. Open **Stellar Undelete Email for Outlook. Select Mailbox to Recover Deleted Items** dialog box will appear.
2. Click **Find** button. **Find Outlook Mailbox** dialog box opens.
3. Select the drive you want to search for **Outlook Mailbox** files. Click **Find**.
4. Click **Look in** button to particularly select the folder from the drive.
5. After the search is finished, a list of mailbox files found in the selected drive is shown in the **Results** section.
6. Select the file you want to recover and click **Recover** button to start the recovery process.

Find Outlook Mailbox Files

To find Outlook Mailbox files in folders and subfolders:

1. From **Home menu**, click on **Select Outlook Mailbox** icon to open **Select Mailbox to Recover Deleted Items** dialog box.
2. Click **Find** button. **Find Outlook Mailbox** dialog box opens.
3. In **Find Outlook Mailbox** dialog box, select the drive you want to search for mailbox files.
4. Click **Look in** button and select the folder from which you want to search mailbox files. Also, if you want to search subfolders within that folder, select **Search Subfolders** checkbox.
5. Click **Find** button.
6. After the search is finished, list of mailbox file found in the selected drive is shown in the **Results** section.

7. Select the file you want to recover and click **Recover** button to start the recovery process.

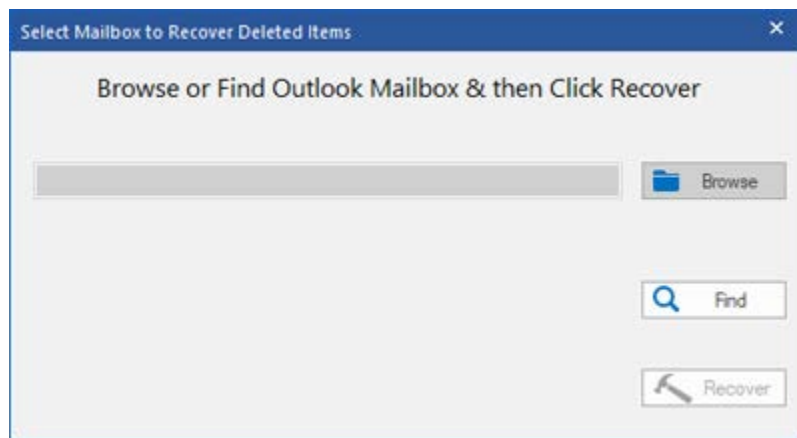

Note: *Click Clear List button to clear the search result.*

Recover Deleted Items of a Mailbox

If you know the location of outlook mailbox files, then you can directly specify the location and start recovering outlook mailbox file to PST file. If you do not know the location, then you can search for outlook mailbox file by using the **Find** option of **Stellar Undelete Email for Outlook** software.

To recover Outlook mailbox files:

1. Run **Stellar Undelete Email for Outlook** software. From the **Select Outlook Mailbox** dialog box, select / find the Outlook Mailbox files that you want to recover. Click Recover to initiate recovery of the selected Outlook Mailbox file.
2. The time required for recovery depends on the size of selected Outlook Mailbox file. You can stop the recovery process by clicking **Stop** button, that appears during the recovery of selected Outlook Mailbox file.

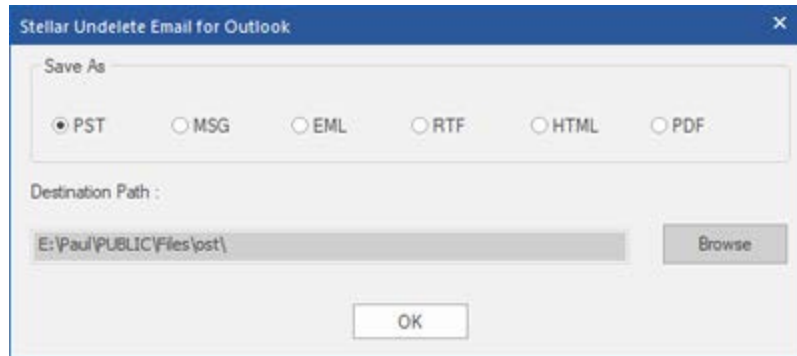

3. After completion of the recovery process, **Stellar Undelete Email for Outlook** application window shows the preview of the Outlook Mailbox file. The recovered file, along with its original content is shown in a three-pane structure.

All mailbox folders will get listed in the left-pane, under the root node. Click on a folder to view its items. Click an email to view its content. We can also view Emails, calendar, contacts, tasks, notes, and journals by clicking on respective folders or buttons.

To switch between vertical and horizontal reading panes, click **Switch Reading Pane** button in **View Menu**.

4. To save the recovered Outlook Mailbox file, click **Save Deleted Items** button in **Home Menu**. **Stellar Undelete Email for Outlook** dialog box opens. Click **Browse**.
5. In **Browse for Folder** dialog box, select the location where you want to save the PST file. Click **OK**.

6. The recovered file (PST) get saved at your specified location. You will need to import the PST file to **Microsoft Outlook** to use it.

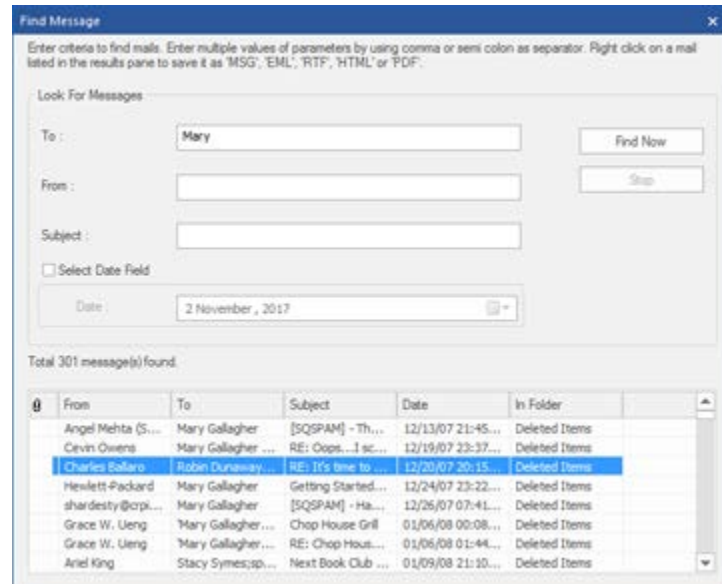

Note: You can stop the scan and recovery process individually. If you stop the scanning process, then no files will be recovered. If you stop the recovery process, then those files will be shown, which got recovered until the process had stopped. Also, Microsoft Outlook should get closed before saving the recovered outlook mailbox file

Find, View and Save a Single Message

Stellar Undelete Email for Outlook allows you to find a particular message from the recovered file. The software offers a **Find Message** feature, which helps you narrow the search using various search options. You can save a message directly from the search result in MSG, EML, RTF, HTML or PDF format.

To find messages:

1. Click on **Find Message** icon in **Home Menu**. **Find Message** dialog box opens.
2. Specify the search criteria in **Find Message** dialog box.
 - In **To** field, specify all or few characters of email ids of recipients. Keywords should be separated by a semicolon (;).
 - In **From** field, specify all or few characters of email ids of senders. Keywords should be separated by a semicolon (;).
 - In **Subject** field, specify the subject that you need to search.
 - If you want to search for emails sent or received on a particular date, select **Select Date Field** checkbox, and select date from **Date** drop box.
3. Click **Find Now** button to start the search.

Find Message

To view messages:

1. After the search is complete, a list of emails that match the search criteria is displayed.
2. Double-click on an email to open it in a new window.

To save messages:

- To save any message from the search result list, simply right-click on it and:
 - Select **Save as MSG** to save the message in MSG format.
 - Select **Save as EML** to save the message in EML format.
 - Select **Save as RTF** to save the message in RTF format.
 - Select **Save as HTML** to save the message in HTML format.
 - Select **Save as PDF** to save the message in PDF format.

You need to import the PST file to MS Outlook to view it.

Arrange Scanned Emails

Stellar Undelete Email for Outlook allows you to arrange recovered emails as per date, from, to, subject, type, attachment, and importance. This feature helps you to sort and organize the messages into pre-defined groups.

The software provides seven pre-defined, standard arrangements from where you can choose. They are available in the pane listing all the scanned emails/messages.

To arrange scanned email and messages:

1. Run **Stellar Undelete Email for Outlook**.
2. Select the Outlook Mailbox file that needs recover.
3. After scanning, the application will list all the emails from the recovered Outlook Mailbox file in the preview pane.

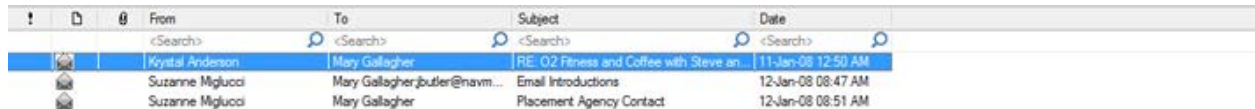

4. Right-click on email grid column headers and you will get the **Arrange By** option.
5. Select either of the following properties from the **Arrange By** list to list the emails as per the selected criteria:
 - **Date**
 - **From**
 - **To**
 - **Subject**
 - **Type**
 - **Attachment**
 - **Importance**
 - **Show in Groups**

Search e-mails option at mail grid

You can search for specific emails from preview pane itself. Once the recovered Outlook Mailbox file appears in the preview pane, you can enter the search text in the column header search box to search for emails in a given column. This search is performed on a single column only.

To search for e-mails in the preview pane, follow the steps given below:

1. Run **Stellar Undelete Email for Outlook** application.
2. Select the Outlook Mailbox file that needs recover.
3. After scanning, the application will list all the emails recovered from the Outlook Mailbox file in the preview pane.
4. Enter search text in any of mail grid search box. You can enter text in From, To, Subject, and Date mail grid column headers only.

The screenshot shows a table with four columns: From, To, Subject, and Date. Each column has a search box above it. The first row is highlighted in blue. The second row is partially visible below it.

	From	To	Subject	Date
	<Search>	<Search>	<Search>	<Search>
	Kyral Anderson	Mary Gallagher	RE: O2 Fitness and Coffee with Steve an	11-Jan-08 12:50 AM
	Suzanne Migliucci	Mary Gallagher, butler@navm...	Email Introductions	12-Jan-08 08:47 AM
	Suzanne Migliucci	Mary Gallagher	Placement Agency Contact	12-Jan-08 08:51 AM

5. The application will show all the emails and messages fulfilling the search criteria.

Import PST file in MS Outlook

To import PST file to Microsoft Outlook 2016 / 2013:

- Open **Microsoft Outlook**. From **File** Menu, select **Open & Export**.
- Select **Import / Export** option from the right pane.
- From **Import and Export Wizard** window, select **Import from another program or file**, click **Next**.
- In **Import a File** dialog box, select **Outlook Data File (.pst)**, click **Next**.
- Click **Browse** to locate the PST file that needs to get imported. In the options box, select an appropriate option. Click **Next**.
- In **Import Outlook Data File** dialog box, select the folders that should get imported into Microsoft Outlook. Click **Finish**.

To import PST file in Microsoft Outlook 2010:

- Open **Microsoft Outlook**. From **File** Menu, select **Open -> Import**. (For MS Outlook 2013, select Open and Import from File Menu)
- From **Import and Export Wizard** window, select **Import from another program or file**, click **Next**.
- In **Import a File** dialog box, select **Outlook Data File (.pst)**, click **Next**.
- Click **Browse** to locate the PST file that needs to get imported. In the options box, select an appropriate option. Click **Next**.
- In **Import Outlook Data File** dialog box, select the folders that should get imported into in Microsoft Outlook. Click **Finish**.

To import PST file to Microsoft Outlook 2007:

- Open **Microsoft Outlook**. From the **File** menu, select **Import and Export**.
- From **Import and Export Wizard** window, select **Import from another program or file**, click **Next**.
- In **Import a File** dialog box, select **Personal Folder File (PST)**, click **Next**.
- Click **Browse** to locate the PST file that needs to get imported. In the options box, select an appropriate option. Click **Next**.
- In **Import Personal Folders** dialog box, select the folders that should get imported into Microsoft Outlook. Click **Finish**.

Read MSG, EML, RTF, HTML and PDF Files

To read an e-mail saved as an MSG file:

1. Navigate to the location where MSG file is saved or click on the link displayed in success message dialog box.
2. Double-click to open the file as a regular e-mail in MS Outlook window.

To read an e-mail saved as an EML file:

1. Navigate to the location where EML file is saved or click on the link displayed in success message dialog box.
2. Double-click to open the file as a regular e-mail in MS Outlook window.

To read an e-mail saved as an RTF file:

1. Navigate to the location where RTF file is saved or click on the link displayed in success message dialog box.
2. Double-click to open the file in Wordpad.

To read an e-mail saved as an HTML file:

1. Navigate to the location where HTML file is saved or click on the link displayed in success message dialog box.
2. Double-click to open the file in your default browser.

To read an e-mail saved as a PDF file:

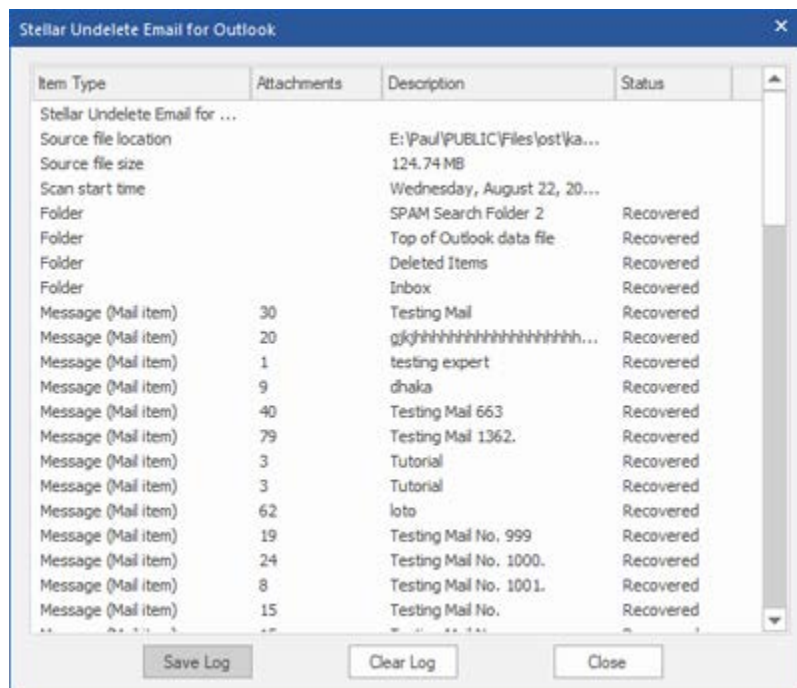

1. Navigate to the location where PDF file is saved or click on the link displayed in success message dialog box.
2. Double-click to open the file in a PDF file reader.

Save Log Report

With **Stellar Undelete Email for Outlook**, you can save the **Log Report** to analyze the conversion process at a later stage.

To save Log Report:

1. From **View** menu, select **Log Report**.
2. In **Stellar Undelete Email for Outlook** dialog box, click **Save Log**.

3. In **Save As** dialog box, specify the location where you want to save the log file. Click **Save**.

To clear Log Report:

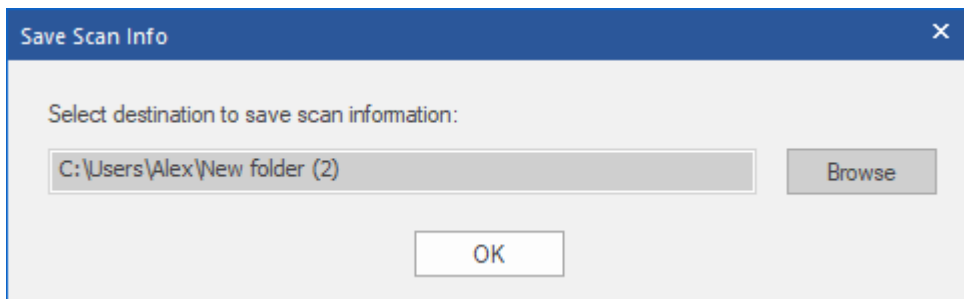

1. From **View** menu, select **Log Report**.
2. In **Stellar Undelete Email for Outlook** dialog box, click **Clear Log**.

Save and Load Scan Information

This option allows you to save the scanned information of files using "Save Scan Info" option and later load the saved scan (DAT) file using "Load Scan " option. It saves time in restoring data as we do not need to scan the Outlook Mailbox file again.

To save scan information of the Outlook Mailbox file, follow the steps given below:

1. From the **Home** menu, click **Save Scan** button.

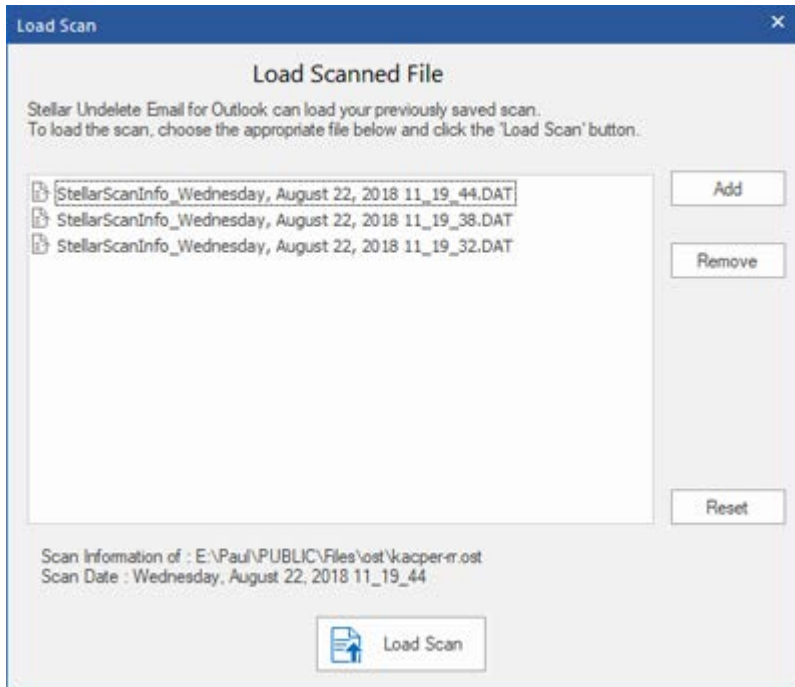

2. **Save Scan Info** dialog box will open. **Browse** to the folder where you want to save the scan information and click **OK**. The information gets saved as. DAT file format.
3. A message box appears, click **OK**.

Load Scan Information

This option is used to start recovery procedure from a saved scan information or.DAT file.

To load the scan information of the Outlook Mailbox file, follow the steps given below:

1. To load the scan information click on **Load Scan** option from the **Home** menu.

2. **Load Scan** dialog box will appear. This dialog displays a list of saved scan information file existing in the system.
3. In case the file you need is not in the list, click **Add** button and select the needed .DAT file.
4. Click **Open**.
5. The file you added gets displayed in the load scan dialog box. Click **Remove** button if you want to remove the save scan (.DAT) file.
6. Click **Reset** button to reset the load scanned list.
7. Click **Load Scan** button.
8. A message box appears, click **OK**.

Note: You can select only one file at a time to start the process of scanning.

FAQs

License Agreement - Stellar Undelete Email for Outlook

Stellar Undelete Email for Outlook

Copyright © Stellar Information Technology Private Limited. INDIA

www.stellarinfo.com

All rights reserved.

All product names mentioned herein are the trademarks of their respective owners.

This license applies to the standard-licensed version of Stellar Undelete Email for Outlook.

Your Agreement to this License

You should carefully read the following terms and conditions before using, installing or distributing this software, unless you have a different license agreement signed by Stellar Information Technology Private Limited.

If you do not agree to all of the terms and conditions of this License then do not copy, install, distribute or use any copy of Stellar Undelete Email for Outlook with which this License is included, you may return the complete package unused without requesting an activation key within 30 days after purchase for a full refund of your payment.

The terms and conditions of this License describe the permitted use and users of each Licensed Copy of Stellar Undelete Email for Outlook. For purposes of this License, if you have a valid single-user license, you have the right to use a single Licensed Copy of Stellar Undelete Email for Outlook. If you or your organization has a valid multi-user license, then you or your organization has the right to use up to a number of Licensed Copies of Stellar Undelete Email for Outlook equal to the number of copies indicated in the documents issued by Stellar when granting the license.

Scope of License

Each Licensed Copy of Stellar Undelete Email for Outlook may either be used by a single person or used non-simultaneously by multiple people who use the software personally installed on a single workstation. This is not a concurrent use license.

All rights of any kind in Stellar Undelete Email for Outlook, which are not expressly granted in this license, are entirely and exclusively reserved to and by Stellar Information Technology Private Limited. You shall not rent, lease, modify, translate, reverse engineer, decompile, disassemble or create derivative works based on Stellar Undelete Email for Outlook nor permit anyone else to do so. You shall not make access to Stellar Undelete Email for Outlook available to others in connection with a service bureau, application service provider or similar business nor permit anyone else to do so.

Warranty Disclaimers and Liability Limitations

Stellar Undelete Email for Outlook and all accompanying software, files, data and materials are distributed and provided AS IS and with no warranties of any kind, whether expressed or implied. You acknowledge that good data processing procedure dictates that any program including Stellar Undelete Email for Outlook must be thoroughly tested with non-critical data before there is any reliance on it and you hereby assume the entire risk of all use of the copies of Stellar Undelete Email for Outlook covered by this License. This disclaimer of warranty constitutes an essential part of this License. In addition, in no event does Stellar authorize you or anyone else to use Stellar Undelete Email for Outlook in applications or systems where its failure to perform can reasonably be expected to result in a significant physical injury or in loss of life. Any such use is entirely at your own risk and you would not hold Stellar responsible for any and all claims or losses relating to such unauthorized use.

In no event shall Stellar Information Technology Private Limited or its suppliers be liable for any special, incidental, indirect, or consequential damages whatsoever (including, without limitation, damages for loss of business profits, business interruption, loss of business information, or any other pecuniary loss) arising out of the use of or inability to use the software product or the provision of or failure to provide support services, even if Stellar Information Technology Private Limited has been advised of the possibility of such damages. In any case, Stellar Information Technology Private Limited's entire liability under any provision shall be limited to the amount actually paid by you for the software product.

General

This License is the complete statement of the agreement between the parties on the subject matter and merges and supersedes all other or prior understandings, purchase orders, agreements and arrangements. This License shall be governed by the laws of the State of Delhi, India. Exclusive jurisdiction and venue for all matters relating to this License shall be in courts and fora located in the State of Delhi, India and you consent to such jurisdiction and venue. There are no third party beneficiaries of any promises, obligations or representations made by Stellar herein. Any waiver by Stellar of any violation of this License by you shall not constitute nor contribute to a waiver by Stellar of any other or future violation of the same provision or any other provision of this License.
